Congregational United Church of Christ Neenah / Menasha

Hello, my fellow Congregationalists and friends, from the church by the lake!

I am slowly getting settled and enjoy everyone's grace and mercy as I make mistakes and learn what I need to learn to serve as your pastor and teacher. Case in point: the automatic exterior door located between the sanctuary and my office that exits out to the parking lot.

It all started the other day when teachers from the learning center were loading up their cars for an off-campus event and I was holding the doors for them at one point. They are double doors, as in two sets of doors, one after the other, an airlock entry style. They were using carts loaded with things and it was a tight fit for one person to stand there holding one door while another person pushed the cart outside the second, or exterior door (while the wheels were getting caught up somehow on the rug). Then it donned on me to simply hit the button for the automatic door; but when I pushed the button for the automatic door to open nothing happened. I heard a noise, but the door did not open. After several tries, I gave up. We managed to get everything outside and all was well.

Later that afternoon I sent an email to Kevin Shumann to let him know the door wasn't working. God bless him, Kevin came in to check it out and there was nothing wrong. I would have known that if I had worked with automatic doors before, but I have not. This is the first church I have served with automatic doors. The simple truth that we keep the doors locked during the week when the learning center is open, as opposed to when we have them unlocked on Sundays, didn't occur to me. I didn't realize that when the door is locked the automatic opening mechanism cannot function – because the door is locked.

This is an example of how when you are doing new things you need to account for the unexpected. This is a wonderful opportunity for learning and growth. All those things, both great and small, will inevitably happen to anyone or any faith community when they set out to do new things. We will be doing a lot of new things. That's what churches with new pastors do. You will show me how to do what you have always done and for me they will most definitely be new things. Then I will have ideas, I will show you things, and for you and the church those things will be new things. So many new things for everyone. So many opportunities to experience the unexpected wisdom that is revealed when we come together to do new things. New to you, new to me, new to all of us. We will learn together. Suprises abound. Change is hard. And yet, if we can come together in this time, and offer each other the grace and mercy I have been so freely offered as I get settled, I know we're going to be just fine. In fact, I think we will be more than fine, we'll be great.

(Continued on next page)

One thing I like to do every year is to declare a theme for the church. A focus or an image that guides us, even redirects our thoughts, and ultimately draws us closer to Christ and each other. This year I am choosing to focus on grace and mercy. Let's find out together what happens to the church by the lake when grace and mercy are the filters, we encourage each other to look through when dealing with each other, our neighbor, our enemies, and even ourselves. Amen and alleluia!

A note from Pastor Rob: Why does having our weekly worship bulletin online matter? Several reasons. First, our weekly worship bulletin is a point of interest for people who are checking us out, whether they are church shopping, or just curious. Our weekly worship bulletin holds a lot of information about us, what we believe, and how we worship. Posting this online helps us to promote our faith community and the gospel of love we hold so dear. Second, this allows people worshipping with us online the ability to follow along with an electronic copy of the bulletin. This is also an act of hospitality and welcome. Finally, this gives people the option while worshipping with us in-person the ability to simply open the worship bulletin on their phone, which saves a bit of paper, and some people prefer this for their own ease of use and as an act of care for the environment.

Dear Members and Friends of the church by the lake:

Thank you for the generous gift basket you presented to us on our first Sunday with you. Wow! We are humbled by your generosity and will use the various gift cards and certificates to get to know the Fox Cities. We were profoundly touched by the 34 personal notes from members welcoming us to your church family.

Sincerely,
Pastor Rob and Nicky Banks

FUNDRAISERS FOR FAITH DEVELOPMENT FUND

Ministry of Faith Development feels it is extremely important to everyone's faith journey to be able to participate in the wider church and the activities they have. Summer Church Camps, Year Round Retreats, and Youth Mission Trips are an essential part of learning about God, Jesus, the Holy Spirit, our community and the world God created. We believe that ***everyone*** who wants to go to a camp, retreat or youth mission trip should be able and that it is the church's responsibility to make sure they can.

A minimum of 50% scholarship is given, to everyone who applies, for Summer Church Camp and Retreats.

A 100% scholarship is given to *Required* retreats, such as confirmation retreats.

A 90% scholarship is given to Youth Mission Trip participants.
In order to make these scholarships possible Ministry of Faith Development needs to raise around $16,500. Currently there is $6,583.58 in the Faith Development Fund. This leaves just under $10,000 that needs to be raised .

Thank you to everyone who has supported the Faith Development Fund and all that it serves!

***Someone Else's Shoes* by Jojo Moyes**

At its heart, Someone Else's Shoes is a story of female friendship, the kind that bridges differences and surpasses all else. It's also a story of female agency, how as we age, we disappear, we feel dispensable, invisible, needed by everyone but wanted by no one.

Kids Kart Club's mission is to keep kids in school by providing an exciting and interesting alternative to drugs, gangs, and other negative social pressures. This alternative is the assembly, maintenance, and racing of motorized go-karts. Keeping kids in school by providing hands-on mechanical training, teamwork, task accomplishment, job satisfaction, competition, sportsmanship, and recreation is the primary goal of Kids Kart Club. You can learn more about Kids Kart Club here: http://www.kidskartclub.net/

Please give as you can to support this amazing opportunity for kids; your gift will be matched at 50% from the Good Samaritan Fund of the church.

CROP WALK COMING OCTOBER 6

As you might remember, the regional Fox Cities CROP Walk in Appleton has been cancelled indefinitely. But that hasn't stopped our awesome CUCC from having a great CROP Walk of our own!

Again this year, we'll have a special walk in the neighborhood to raise money for Church World Service's disaster work, hunger assistance, and grass-roots development aid - both overseas and in the USA. Ukraine, Gaza, and hurricanes in the USA will certainly be featured. (CWS also returns a portion to local food pantries here in the Fox Cities.)

So MARK YOUR CALENDARS for Sunday, October 6, to either walk or donate to our walkers.

After church we'll walk together around the block for just under 1 mile. There's a good chance we'll see an amazing Halloween object. Then we'll have a lunch together back at church, made specially for us.

We had a wonderful time last year, and we expect a fun walk again! EVERYONE is invited, including dogs.

CUCCNM KEYCHAINS will be on sale after church. **$15.00** A picture of the church is on one side and the coordinates of the church is on the other side. All proceeds will go to the Faith Development Fund. Contact Alanna if you would like to purchase one.
