Congregational United Church of Christ Neenah / Menasha

Can you believe Advent begins this month?

It seems like just yesterday we were enjoying the long days of summer, and now we're preparing to close another church year and begin again with Advent. November has a way of making us pause and ask where we've been, where we're going, and what really matters.

This month, we'll spend four weeks in a worship series called **Ready: Living with Eternal Purpose**. Together, we'll wrestle with a simple but challenging question: **Are we ready for God's promises to come true in our lives?**

Are we ready to be happy, joyous, and free? Not someday. Not when circumstances improve. Not when everything finally falls into place. Are we ready right now?

Jesus teaches that the life we're looking for isn't found by waiting for the future. It's found by learning to live God's way today. Are we willing to walk the path of humility, faithfulness, generosity, and compassion? Are we willing to practice the kind of love that Jesus embodied? The surprising thing is that as we help bring God's promises to others, we often find those promises becoming more real in our own lives as well.

Throughout November, we'll discover that readiness is not about anxious waiting. It is about living each day with purpose, integrity, courage, and love. In doing so, we prepare not only for God's future kingdom, but also to experience God's reign breaking into our lives right here and right now.

And perhaps that's the deeper question running through everything we'll do this month: **What kind of faith are we passing on to those who come after us?** On All Saints' Day, we'll honor those whose faith helped shape our own. On Commitment Sunday, we'll make commitments that sustain ministry into the future. Through the installation of our new sanctuary roof, we'll care for a building that has sheltered worshipers for generations and will continue to do so for years to come. As we gather for Thanksgiving and prepare for Advent, we'll be reminded that faith is never ours alone. It is a gift we receive, a gift we live, and ultimately a gift we leave behind for others.

November 1: Ready for Integrity - We begin on **All Saints' Day**, one of the most meaningful Sundays of the year. Together, we will remember and give thanks for the saints who have shaped our lives and our congregation through their faith and witness.

Continued on next page

November 8: Ready for the Wait - Most of us know what it's like to wait. We wait for answers, for healing, for change, and for hope to break through difficult circumstances. Through the Parable of the Wise and Foolish Bridesmaids, Jesus reminds us that faith is not a sprint but a lifelong journey.

November 8 will also be **Commitment Sunday**, the culmination of our 2027 stewardship campaign, **There Our Hearts Will Be**. Thank you to everyone who has prayerfully considered how they will support the ministry and mission we share together. Your generosity makes possible the work God is calling us to do today and helps build a foundation for tomorrow.

November 15: Ready for Accountability - Jesus' Parable of the Talents reminds us that God has entrusted each of us with gifts, abilities, resources, and opportunities. This week we'll reflect on what God has placed in our hands and how we can invest those blessings in ways that help God's love grow in our community and beyond.

November 22: Ready for the Verdict - On Christ the King Sunday, we hear Jesus' powerful reminder that faith is ultimately measured by love in action. Feeding the hungry, welcoming the stranger, caring for the sick, and serving those in need are not side projects of the Christian life. They are at the very heart of it.

Giving Thanks Together - One of the blessings of being part of this community is the opportunity to join with fellow Christians from across the area in worship and thanksgiving. This year's **Ecumenical Community Thanksgiving Service** will be held at **St. Patrick's Church on Doty Island**. We hope you'll join us as we gather with our neighbors in faith to celebrate God's goodness and give thanks for the many blessings we share.

And Then... Advent! Who can believe it? **Sunday, November 29**, marks the **First Sunday of Advent** and the beginning of a new church year. Before the Thanksgiving leftovers are even gone, we'll be lighting the first candle and beginning our journey toward Christmas.
Advent invites us once again to slow down, lift our eyes beyond the busyness of the season, and prepare our hearts for the coming of Christ. Perhaps that's the perfect way to conclude a series called *Ready*. After a month of exploring integrity, perseverance, stewardship, and compassion, we'll find ourselves once again waiting with hope for God's promises to be fulfilled.

As we move through November together, may we discover that being ready isn't about predicting the future. It's about following Jesus today. It's about living with integrity, remaining faithful when the waiting is long, using what we've been given, and loving our neighbors as Christ has loved us. In doing so, we not only experience God's promises in our own lives, we help leave behind a legacy of faith for those who will follow after us.

The question before us this month is simple: **Are we ready?**

I look forward to discovering the answer together.

Amen and alleluia!
Pastor Rob

COMMUNITY CHRISTMAS DINNER.
SATURDAY, DECEMBER 12,2026.
ST. PAUL'S LUTHERAN CHURCH, Neenah

The Community Christmas Dinner is fast approaching and our church along with 10 other churches will be helping with workers, cookies, pies and blankets! Thanks to our youth we have the 18 blankets that we need for one of the gifts the guest will get along with hygiene items, socks and gloves. Our church is providing toothbrushes and tooth paste for the gift bags and there is a cart in the hallway for your donations. Please bring large toothpastes and individually wrapped toothbrushes. There are signup sheets in the narthex for needed volunteers for sorting gifts, food prep and table setup the days before the event and for workers at the dinner. There is also a signup sheet for cookies and pies. Costco and Sam's pies are great! Please help in any way you can. We serve over 300 meals and it takes a lot of hands to make this a success. Questions….talk with Ann Luebke., Laurie Kleist. or Gay Dickson.

Hanging of the Greens

November 22nd

Stay tuned for more information .

VETERAN'S DAY IS TUESDAY NOV. 11TH.

A Veterans tree is set up in the Narthex. Blank ornaments will be available to write the pertinent information about the veterans in your life on an ornament and hang it on the tree. It's a great way to remember our veterans.

COMMUNITY ECUMENICAL THANKSGIVING WORSHIP SERVICE

All are invited to join the churches of the Neenah-Menasha Ministerial Association for a Community Ecumenical Thanksgiving Worship Service at **St. Patrick's Catholic Church on Doty Island** on **Wednesday, November 25, at 6:30 p.m.** Come gather in thanksgiving, worship, and fellowship with our wider Christian community. All are welcome!

MINISTRY OF STEWARDSHIP UPDATE

Ministry of Stewardship is happy to report that our budgeted income and actual income are close to even. We are also happy to report that our expenses have been less than we budgeted; however, we have used extensive Permanent Opportunity Funds to help pay for the new flooring throughout the building, new tables and the remodeling of the Narthex area and the hallways. While we had planned for the remodeling projects, we did not plan for the new flooring and we are blessed and fortunate that we have funds available to us for these unexpected (and planned for) upgrades to our building.

We are in the midst of our fall Stewardship Campaign and our hope is for a faithful and positive outcome to begin 2027 planning. We had an informational meeting after worship to update you on the Tornado Recovery Plan and we are sharing that information (i.e. talking points and Q&A) here.

TORNADO RECOVERY TALKING POINTS
OCTOBER 25, 2026

· Grinding of the tree stumps is in progress
· Once this is completed and other contractors are done we will access what work needs to be completed on the leveling of the grounds
·Steeple has been repaired – new glass sections installed
·Nov 9th Security Luebke will begin replacing the sanctuary roof
·Room 4 will have floors replaced in January
· Lounge flooring will be replaced in 2027
·Signs in the front of the building will need to be replaced – in progress
· Little Library will be replaced – in progress
· Preparations for the sanctuary roof replacement are in progress
o Organ will need to be covered/wrapped
o All items in the sanctuary will need to be removed or covered
o Worship will be held in Fellowship Hall for 3 weeks
o We will get a professional cleaner to clean the carpets, walls, ceilings, etc
o All preparation and clean-up work needs to be coordinated through Kevin S
·Most of the repairs will be covered by insurance
·We have received about $72,000 in donations both restricted & non-restricted
·We have received $2,770 in gift cards for Pastor to use at his discretion
·At this point we do not have confirmation of what our out-of-pocket will be
·Tree removal coverage was limited to $10,000 and the estimate was $42,856 so we will have to cover the difference
·Sanctuary, mitigation and garage are about $692,000 loss – we are hoping to see around $55,000-60,000 to be our cost not covered by insurance
·All Air Conditioners are being replaced
·Building was power washed after the storm

Next steps:
· Kevin will continue to work with the Recovery Team (Byron, Dan J, Max) to work on repairs
·LELC will be leaving the building Dec 31 – plans for repairs and use of the education wing will then be discussed for next steps
·Once the roofs are replaced, grounds are repaired, we are back in the sanctuary and we move beyond the holiday season – then we will be able to have a better understanding of next steps

Continued on page 7

Q: How will the $72,000 we received, be used to fill the gap
A: Partially yes – this will be used to fill the gap between what insurance covers and what it does **not.**
Q: If there is a gap after the $72,000 – will the POF cover this
A: Possibly, the Permanent Opportunity Fund could be used to fill the gap
Q: How long will we be out of the sanctuary
A: 3 weeks we are hoping to be back in the sanctuary
Q: How will the $72,000 be used
A: Grounds repair/rebuild and fill the gap. Some funds are restricted and these will be used as assigned (i.e. trees, building)
Q: How good is our insurance
A: Our insurance is good but it won't cover everything, so we will potentially use the Permanent Opportunity Fund to help fill the gap or the donated money. Quotes are reasonable and so insurance is pretty much covering the loss.
Q**: Can we tithe money to others**
A: The money we are getting from the insurance company will cover our costs – we don't have extra money to give to others. We have been fortunate for the ability to be in the building and our giving has continued. Giving money to others to support them is a goal placed on Ministry of Stewardship in distribution of monies available for this purpose.

Marilyn Kostrzak, Treasurer, Ministry of Stewardship

COMMUNITY TABLE.....SPECIAL OFFERING FOR NOVEMBER

For many years CUCC N/M has supported the Community Table by preparing and serving 6 meals a year and by our financial support for this organization that serves our community. Please consider contributing to this program during the month of November.

The following letter is from the site director of the Community Table who is the person who keeps this program running smoothly.

Thank you for your support by a financial donation and by helping with the meals we serve. Please contact Gay Dickson if you would like more information..DICKSON.ANNE5@gmail.com

Happy Fall Y'all!

We had an eventful summer. The Community part of our FVCT shone especially bright as we celebrated our 35 year Anniversary! The outpouring of support in donations of food and funds, volunteering, and kind words and hugs was beautiful. Our community then proved strong and ready to respond to our neighbors after the tornado, serving the day after it happened. We are fortunate to be located close to the devastation. We could serve our neighbors and help meet the new needs in new ways. We were able to connect guests to resources, provide transportation and supplies, and be a place to talk through our experiences. All of us working together make FVCT a consistent and strong resource to help ease the struggle of many of our neighbors. We have a real impact on people's lives. Thank you!

As we move into Fall and cooler temps, please stay aware and engage in conversations about homelessness and our lack of affordable housing. There are many newly displaced neighbors and some are finding it near impossible to find a safe place to live within their means. This is a long term problem with immediate effects on some of our guests. Awareness and voices keep light on the problem and help progress toward solutions.

Looking ahead we have a few open dates particularly around the holidays. The meals is interested, or if you have 5-6 friends, family or neighbors who would like to do some extra good please consider signing up for one of these dates. We have some pantry supplies that can be used in the meals, and I'm happy to help with ideas and planning as needed. Respond to me with any interest or questions. FVCT will serve on these open dates, if they are not taken our Board of Directors will fill them. The open dates are:

- **Tues Nov 24th, Sat Nov 28th, Sat Dec 26th, Sat Jan 2nd**

Thank you all so very much for working together to take care of our neighbors through these meals. None of us could do this alone, but together we do great things!

Chrissy Goethel

Focusing Our Hearts on Gratitude

A Note from Your Moderator

As November arrives, it's a natural time to pause and focus on gratitude. Gratitude is more than saying "thank you"—it is a conscious choice to recognize the good in our lives.

Did you know that practicing gratitude actually changes us? Studies show it lowers stress, improves health, and rewires our brain by releasing dopamine and serotonin. Most importantly, it shifts our focus from what we lack to what we have.

As your Moderator, much of what comes my way involves things that need fixing or attention. I take these in stride and try to see the opportunities in them rather than feeling overwhelmed. While it's important to address issues, it's also easy to get caught up in them. A mindset grounded in gratitude changes how we see our challenges—and ultimately changes our lives.

When I look at our church family, I am deeply grateful for our community, the growth we are experiencing together, and our wonderful partnership with Lake Edge as we both enter exciting new chapters of growth and expansion.

This month, before we jump to what needs to be changed or corrected, I invite us all to ask: *What am I grateful for today?*

Thank you for being such a vital part of our church family.

With gratitude,
Signa Meyers

TOM THE TURKEY PROJECT

*Take one or more feathers off the turkey poster in the narthex..
*Bring back the food item/s listed on the feathers.
*Food is then made into a meal to be delivered to members and friends of the church
****Also needed are cooks to join a multigenerational group to make the meals at 1pm on Wednesday, November 25 and drivers to deliver the meals.

It is almost time to order your Poinsettia soon. Be watching for an insert in the bulletin. They will need to be ordered and paid for by **November 30th**

DIFFERENT WAYS TO GIVE TO CUCCNM
